MEMOIRS

JAMES PATRICK PATE.

BY F. E. DIXON.

Rev. James Patrick Pate was born in Wayne County, North Carolina, February 7, 1868, and died in Memorial Hospital, Richmond, Va., May 18, 1920. He was the son of Martin and Elizabeth Pate. He received his early educational training in the public schools of his native county and the Fremont High School. Having a thirst for higher ideals and greater intellectual attainments than were offered to him in his home county, he sought the best and entered Trinity College, Randolph County, where he spent three and one-half years in diligent study. He left college in his senior year on account of the serious illness of his father. After leaving college he taught for some time before entering into his life work.

Besides a wife and two sons, he leaves two brothers also to mourn their loss. His mother preceded him only a few short weeks to the Spirit Land. The suddenness of her passing came as a great shock as he himself was quite ill.

He gives considerable credit to Miss Bettie Howell, one of his first teachers, for the high ideals and aspirations that were implanted in his young heart and as long as he lived he spoke affectionately of "Miss Bettie."

Brother Pate joined the North Carolina Conference in Goldsboro in 1892, and served the following charges, viz: Straits Circuit, 1893; Prospect Circuit, 1894; Pekin Circuit, 1895; Roberdel Circuit, 1896–97–98–99; Lumberton Circuit, 1900–01–02–03; Hookerton Circuit, 1904–05–06; Battleboro Circuit, 1907; Harrellsville Circuit, 1908–09; Carteret Circuit, 1910–11; Whiteville Circuit, 1912–13–14–15; Bladen Street, 1916; Kenansville Circuit, 1917; Dover Circuit, 1918–19.

A glance at the above will suffice to show that Brother Pate was highly honored. A less courageous spirit would have sooner given out with such an arduous task. To him the call of God was first, and the order of his Bishop was a marching order. No doubt at times he was discouraged, but his brave spirit spelled victory. Brother Pate was very quiet and unassuming in his makeup. He thought it beneath the dignity of his high calling to push himself forward for self-preferment, and it may be because of this that he was misunderstood.

It was the writer's pleasure to be thrown with him on a number of occasions and to have had some heart-to-heart talks. Whenever he saw fit to reveal himself, I could not but marvel at his great faith in God and love for his fellow-man. I succeeded him on the Dover Circuit, to fill out the unexpired year. He made some real friends. When it became known that Brother Pate had to go to the hospital, his people immediately got busy and provided funds to bear his expenses. The devotion of the Dover people was beautiful. The Baracca Class of the Sunday School manifested a lovely spirit when the writer suggested that the noble thing to do was to make a sufficient donation to Brother Pate to cover his hospital expenses, over and above his salary. The response was great. It took but a few minutes to raise in that class alone upwards of $100.00. Other departments of the Sunday School as well as his people from different parts of his work also beautifully responded. When the news flashed in that Brother Pate was dead a pall of gloom settled over the community. A spirit of sympathy went out as a whole from the community to their pastor's wife, who they also hold in high esteem. Brother Pate has "finished his course, and kept the faith." He has added his life work to the sum total of Kingdom advancement, and gone to be with his Lord.

ANDREW PERRY TYER.

BY L. S. MASSEY.

The subject of this memoir was born in Columbia, Tenn., March 31st, 1853. He was the son of John Montgomery Tyer and Marnita Gaskill Tyer, who soon after their marriage moved from Greensboro, N. C., to the place above mentioned, but who finally returned to North Carolina and spent their last days in the home of their nativity. Young Andrew came to North Carolina for his high school education, and it was at this time that he was converted at a camp meeting near Jonesville, N. C., in 1875. Then events developed rapidly. He felt the call to the ministry, and determined to make the best preparation for it that he could. He entered Trinity College, then located in Randolph County, in 1876, and was graduated in 1878. There is a combination of dates here that does not follow the usual order of our day, but Brother Tyer was not a usual man. He entered Trinity College in 1876; married Miss Mary S. Coltrane, daughter of Jesse F. Coltrane, and a sister of Rev. N. E. Coltrane, of the North Carolina Conference, December 28th, 1876, Dr. Braxton Craven,

President of Trinity College, performing the ceremony; joined the North Carolina Conference at Salisbury, N. C., in 1877; and graduated from Trinity College in 1878. Few men can pass such important events in life in such rapid succession.

Brother Tyer had a remarkably varied and useful ministry, covering a period of forty-one years to his superannuation at Goldsboro, in 1918. During this time he served the following charges: Asheboro, 1878–79; Carthage, 1880–81; Lumberton, 1882–83; St. John's Station, 1884–85; Mooresville Circuit, 1886; Pineville Circuit, 1887–88; Monroe Station, 1889–90; Charlotte District, 1891–92–93; Statesville District, 1894; Mt. Airy Station, 1895; given field work for Trinity College, 1896; Elizabeth City District, 1897; Grace and Bladen Streets, Wilmington, 1898–99; Main Street, Durham, 1900; Wilson, 1901–02–03–04; First Church, Elizabeth City, 1905–06; Washington Station, 1907–08; Maxton and Caledonia, 1909–10–11; Oxford, 1912–13–14–15; Selma, 1916; Littleton, 1917–18. As stated above, he was given a superannuate relation at Goldsboro, in 1918, and spent the remainder of his life at Greensboro, passing peacefully to his reward October 5th, 1920.

This list of appointments shows the wide range of experience he had in ministerial work. It carried him into practically all parts of the State. He joined the Conference some twelve or thirteen years before the division, and six years of that time was spent within the bounds of the present North Carolina Conference. He spent twelve years of his ministry in the bounds of what is now the Western North Carolina Conference, being at work on that side of the line when the Conference was divided. In 1895 or 1896, he transferred to the North Carolina Conference, in which he spent the remainder of his active ministry. He was thus brought into intimate contact with all sections of our State, from the mountains to the sea. And then he served all classes of charges—Circuits, Stations, Districts, small Stations, large Stations. He thus knew our people in the country districts, in the small towns and in the largest towns that are found within our borders. And he was the type of man to gather strength and wisdom with these varied experiences. He did not go around with unseeing eyes and unhearing ears, and he thought upon the things he saw and heard. His mind and heart grappled with the situations that confronted him, and the impress of his personality has been felt wherever he went. And then his work was not limited to the charges that he served. He took a vital and helpful interest in the larger questions of the Church's life. He was particularly interested in Christian education. He was for

many years a member of the Board of Trustees of Trinity College, and was always loyal in its support. He was a member of the committee appointed by the North Carolina Conference to effect the legal transfer of its property interests to this Conference, when Mr. B. N. Duke, whose father had previously bought the property to save the institution to the Church, made the proposition to turn Louisburg College over in legal form to the Conference. Together with the writer he labored to organize its original Board of Trustees and secure a proper charter for the institution. He was pastor in Maxton about the time, or soon thereafter, that Carolina College was coming to its birth, and was for a time a member of the Board of Trustees of that institution. For three consecutive quadrenniums he was president of the Conference Board of Education, and during that time the writer was secretary, and we were thus from year to year thrown into most intimate association. We were together on a number of committees concerning various educational interests of the Church, and he always took broad and helpful views of the situations that arose in connection with these matters. No one was ever more loyally devoted to the interests of the Church than was Brother Tyer, and his fidelity to the Christ never faltered.

Brother Tyer was a clear thinker. He saw the lines of cleavage, and the natural results of the tendencies in the midst of which he lived. The fads of the day did not catch him in their snare. He was not swept away by the currents of surface thought and popular slogans. He was a man of poise and discernment, and kept his faith anchored in the foundation of eternal truth. He was a student of the Word, and his mind was fed and shaped and fashioned under the leading of the Holy Spirit; and he saw clear and thought straight.

Brother Tyer was a strong preacher—not the kind, perhaps, to catch the unthinking element of an audience, but the kind to give the thoughtful something worth thinking about. He was a preacher of the Word. He was not of the sensational type who seek to gather a crowd by the announcement of novel and grotesque themes for pulpit treatment; but he preferred to feed his hearers upon the real bread of life.

He was a man of splendid social qualities. He was a conversationalist with exceptional capacity for interesting his hearers, and he loved the society of his friends. He mixed and mingled with men with ease, and was the centre of almost any circle that he entered. He had the power to bind men to him in the bonds of a strong friendship, and he gave himself unstintedly to his friends.

Always bright and cheerful himself, he imparted his spirit of optimism to those with whom he was associated. He thus enshrined himself in the hearts of his comrades.

Brother Tyer died as he had lived—in the conscious fellowship with God. Shortly before the end, his pastor, Dr. E. L. Bain, stood by his bedside. The hand of disease had paralyzed Brother Tyer's power of speech, but he was in possession of his mental faculties. Dr. Bain said to him that he knew it was difficult for him to speak—not to try to do that; but, if it was all right with him, to raise his hand. A smile spread over his features, and he lifted both hands. A few hours later he crossed the great divide. His funeral service was conducted from West Market Street Methodist Church, Greensboro, Oct. 6th, 1920, by Dr. E. L. Bain, assisted by Rev. S. B. Turrentine, D. D., president of Greensboro College, and Rev. J. H. Barnhardt, presiding elder of the Greensboro district, and his body was laid to rest in Green Hill Cemetery. He is survived by his wife who was Miss Mary Coltrane before her marriage, and two sons: W. B. Tyer, of Greensboro, and J. J. Tyer, of Helsingsfors, Finland; and three daughters: Mrs S. P. Colliers, of Winston-Salem, N. C., Mrs. W. T. Sawyer, of Elizabeth City, and Miss Edna Tyer, of Greensboro. One of the leading personalities of North Carolina Methodism has gone on before, but we shall know where to find him; and, while it brings to us an hour of sorrow, it is one of undimmed hope.

MRS. R. F. TAYLOR.

By H. M. North.

Mrs. Adah Harrell Taylor was born in Green County, North Carolina, near Willow Green, on September 23, 1862. She was the daughter of Nathan and Mary A. Harrell, her mother's maiden name being Spivey. Her father died when she was only four years old. She had one sister Annie, two years younger than Adah, who died at the age of four. After Mr. Harrell's death the mother was married to Mr. S. A. Rosser, of Mecklenburg County, N. C. Mrs. Taylor leaves a brother and sister, Mr. I. A. Rosser, of Sanford, and Mrs. A. D. Simpson, of Charlotte.

Adah Harrell was fortunate in starting out in a Godly home with Christian parents. So it was to be expected that at the early age of thirteen she should give her heart to the Lord and be happily converted. She grew up in a peaceful country home, receiving her training in the local schools and at Kinston Collegiate Institute.

She was marred first to Mr. L. T. Sugg, of Green County, who lived less than two years after the marriage. On September the fifth, 1883, she was married in Rainbow Church to Rev. R. F. Taylor, who survives her.

Every worthy character has in it a particular dominant note or principle around which the entire life is built. In the case of Mrs. Taylor it was devotion. This trait was manifesed in large measure towards her husband. On her wedding day she promised to obey him, serve him, love, honor and keep him in sickness and health; and she kept these vows both in the spirit and the letter. Her ceaseless love and attention towards him served to make his public ministry more effective. She was also much devoted to the adopted daughter who grew up in their home, and whom she reared to a sweet Christian womanhood. Her devotion to the Church was most marked. She received her appointment when her husband received his; and the church to which he was sent was always her church, and was during the time of their joint pastorate there the greatest of all churches, and it received her loyal support and careful personal service.

Saint Peter wrote in his first letter of those women whose adoring was the ornament of a meek and quiet spirit, which is in the sight of God of great price. Our sister had this beauty of heart, and on her tongue was the law of kindness. A little parsonage became as a palace to her; the many cares of the household were borne with a song; a small salary was made large by economy and hopefulness. No condition of life proved too hard for her because an ennobling love transformed everything she touched.

Mrs. Taylor was frail of body, and for many years had been almost a constant sufferer. During the last months of her life she passed through very deep waters. Her weakness and pain were great, yet she tried to hide them bravely and smile through it all. The character she had built up during the years by patient endurance made her strong in these hours of testing, and she passed through the gates having gained a victorious peace. In such a manner do our Christian women live, and in this way they meet death. It is now as Wesley said it was in the early days of the Church, "Our people die well," and it is because they live well.

After thirty-seven years in the itinerancy she died at Duke, North Carolina, on February 20, 1920. On the following day her body was taken to Rainbow Church, where she had been married, and was laid to rest in the beautiful cemetery there. Services were conducted by Reverends R. H. Broom and H. M. North in the presence of the friends of her girlhood. May grace, mercy and peace rest richly upon him who grieves so deeply at her going.

MRS. MARY E. ADAMS.

By J. A. Hornaday.

Mrs. Mary E. Adams, daughter of William and Jane Clark Jackson, was born in Moore County, N. C., October 27, 1833, and passed from this to the life above April 20, 1920, in the eighty-seventh year of her age.

Early in life she surrendered her heart to Christ, united with the Methodist Church, and remained absolutely true to her Church vows to the last hour of her life in this world.

November 27, 1855, she was happily united in marriage to Rev. Shockley D. Adams, an honored and useful member of the North Carolina Conference, and for two score years she walked by his side, as faithful and helpful a companion as ever blessed the life and home of an itinerant Methodist preacher.

During the years 1889-1892 this writer served the Carthage Circuit as pastor. Rev. and Mrs. S. D. Adams had established a very pleasant home in the good town of Carthage, and as pastor of that charge this writer became intimately associated with this good woman, and learned something of her true worth to the Church of which she was a member, and the community in which she lived. And this is the verdict: as wife, as mother, as neighbor, as friend, and as a Christian she was simply ideal.

In 1890, I think it was, she organized the first Missionary Society Carthage Methodist Church ever had, and very largely through her untiring and consecrated energy the Society flourished and became a power for good that was felt in the Church and the community. The Carthage Church now has a Missionary Society composed of young people, and in honor of this good woman it was named the "Mary Adams Missionary Society," and it is doing splendid service for the Master.

The call of her beloved companion from this to the life above, February 12th, 1894, brought into her life a deep and an abiding sorrow, but she leaned heavily on the arm that has never failed a human soul that trusted to it, and through the twenty-six years succeeding she bore her deep sorrow bravely. She was always in her place in the Church, and ready for any service to which her Church might call her so long as she was able to heed its calls.

For several years prior to her departure from this life her health was quite feeble, but her faith was strong and unwavering. Those who loved her, and all who knew her loved her, watched with deepest sadness her increasing feebleness, but the smile of perfect trust

and resignation never left the face so dear to those whom she met. Her patience and sweetness of spirit was a wonder.

For three or four weeks prior to the end her strength failed rapidly, but she kept up almost to the last. And as her physical strength failed her trust in the saving arm of Christ increased, and was beautiful to look upon.

In the early morning of April 20th, she quietly and peacefully ceased to live in this world, and entered into the joys of the unending life of the other and better world.

At 4 o'clock in the afternoon of Wednesday, April 21st, a simple but really beautiful service was conducted by her faithful pastor, Rev. G. W. Perry, and her tired and worn body was gently and tenderly laid to rest by the side of her beloved husband in the cemetery close by the Church she loved so dearly. In this life they were devoted to each other, and now all that is mortal of them rest side by side, waiting for the call that shall open the graves of all those who sleep.

Four surviving children and one stepdaughter are left to mourn the going away of this loved and loving mother, as follows: Mrs. Bettie Stuart, Mrs. Ida Bryan, Mr. Frank C. Adams, Hon. W. J. Adams, all of Carthage, N. C., and Mrs. J. D. Creech, of Portsmouth, Va. Hon. W. J. Adams is a superior court judge, and is well and favorably known throughout the State. The late Hon. H. B. Adams, of Monroe, was also a stepson she loved as her own son, and who loved her devotedly.

One of her children had this to say of the mother's influence in the home and the lives of the loved ones there: "Her life is an abiding benediction to us, but we shall never cease to miss her in the home." Knowing dear Sister Adams as this writer did, and knowing the family also, he knows that his testimony means all that is expressed, and more. Her life was indeed a benediction to all who fell under her influence, and the influence of such a life can never cease so long as time lasts.

May the great loving Father of us all, who led the sainted parents safely through life in this world, keep His arm about the sorrowing ones, and lead them safely to the same blessed home.

REPORTS AND RESOLUTIONS

[1]

REPORT NO. 1 OF BOARD OF EDUCATION.

I. Whereas, the General Conference in its prophetic consideration of the two great responsibilities of the Church, recommended that there be two great Church-wide movements in the present quadrennium, one for missions and one for Christian education, in the following resolution:

"We recommend that the right of way be given to the Centenary Movement in the first two years and to the educational campaign during the second two years of the quadrennium and that during these two periods as far as possible the full power of the Church be delivered in these respective campaigns."

II. And, whereas our Conference educational institutions are in pressing need of additional funds in order that they not only may move forward with the progress and development of the Church but in truth even in order to maintain their present efficiency under changing conditions; and whereas we recognize the fact that our educational institutions have by order of the General Conference been kept for the past two years from presenting their needs to the Conference and connection; and whereas estimates for connectional needs and conference institutions are as follows:

Connectional Interests	$265,000	
Greensboro College	235,000	
Trinity College	350,000	
Carolina College	210,000	
Louisburg College	210,000	
Trinity Park School	52,500	$1,322,700

III. And, inasmuch as the tragic events of the past few years have taught us that education without Christ is a mockery, and, therefore, that if America is to be true to its mission, education must be Christian,

IV. And, whereas our denomination is now short eight hundred preachers and is calling for hundreds of missionaries and trained workers not now available, and inasmuch as we recognize our responsibility for recruiting and training young men and young women for this work if our Church is to grow and serve,

V. And, inasmuch as we feel, therefore, our responsibility jointly with the other conferences to focus our attention this year upon all the processes of Christian Education in the home, the Church and the school,—

BE IT RESOLVED—

First: That this Conference co-operate most heartily in the plans of the Educational Commission's five-fold objective in carrying out the instructions of the General Conference, which objectives are as follows:

1. To develop in the mind of the Church an adequate conception of the place of Christian education in the life of the Church, of the nation and of the world.

2. To promote the cause of religious education by bringing about a closer and more effective co-operation between our institutions of learning and the Sunday School, and by establishing strong departments of religious education in our colleges and universities.

3. To lead at least 5,000 young men and women to pledge themselves to devote their lives to the ministry, to missions or to some other form of Christian service, and to seek a Christian education as a preparation for effective life service.

4. To raise for our schools, colleges and universities at least $33,000,000, the minimum sum necessary to enable them to send out the constantly increasing stream of educated Christian leaders required to carry forward the Christian work of the world, and to secure $1,000,000 to aid worthy students who are looking to some form of Christian service in their efforts to obtain an education.

5. To deepen the moral and spiritual life of our people and to promote the spirit of Christian liberality in all of the efforts put forth to realize these objectives.

Second: And be it resolved, that we take all proper steps to fix the attention of all our people upon the fundamental place of Christian education in the life and mission of our Church and that to this end we urge pastors to preach and teach, and laymen to lend their influence in every possible way.

Third: That we call upon our people for their prayers in behalf of the presidents and faculties and trustees of our schools and for our young people in attendance upon them, praying especially that the right young men and young women may be led to give their lives as preachers, missionaries and trained workers, and that these schools may supplement the work of home and church in leading the young people of this generation to the acknowledgment of Christ as their Lord and Master in whatever work they may choose.

Fourth: That our Conference Educational Commission to be appointed co-operate with the Connectional Educational Commission and put in operation the necessary plans for securing the support of all our churches for this movement.

Fifth: That we assume as the quota for this Conference the sum of $1,322,700 and authorize the Conference Educational Commission, with the help of Presiding Elders, to divide this amount equitably among the churches of the Conference.

Sixth: That we request the appointment of a Conference Educational Secretary to be the full-time executive of the Conference Educational Commission and that we pledge such secretary, when appointed, our full loyalty and support.

Seventh: That we call upon our churches to co-operate in a manner worthy of the impelling need of our Christian Educational Program in arousing every member to an appreciation of his or her responsibility and in giving fullest financial support in the collections to be taken next spring.

W. A. STANBURY, *Secretary.*

DUKE FUND COMMISSION.

At a joint meeting of the Boards of Missions and Boards of Church Extension of the North Carolina and Western North Carolina Conference held at Trinity College June 15, 1920, President W. P. Few read a letter from Mr. J. B. Duke, stating that he desired that the fund which he is annually contributing to the country church work in North Carolina be administered through Trinity College. Dr. Few then requested that there be created a Duke Fund Commission, composed of six members equally divided between the two Conferences.

In accordance with action taken at this joint meeting, the Boards of Missions and the Boards of Church Extension of the North Carolina and Western North Carolina Conferences recommended to the two Conferences:

1. That a "Duke Fund Commission" be created as hereinafter provided to have charge of the administration of the Duke Fund.

2. That the Commission in co-operation with the appointing power of the Conferences shall so administer the fund as to carry out the wishes of the donor in the upbuilding of the country churches of the Methodist Church in the State of North Carolina.

3. That the Fund shall be kept separate from the regular work of the Boards, and reports made to the Conferences from year to year shall disclose the use being made of the fund and the results secured.

4. That the undertakings of the Commission shall in no way interfere with the regular work of the Boards, but shall be directed to the supplementing of their work in such a way as to promote to the utmost the well-being of the country church in the North Carolina and Western North Carolina Conferences.

5. That the Commission shall give special attention to doing real constructive work in promising fields in the way of building adequate church houses and in developing leaders for doing the work of the church of the open country, stress being placed upon real aggressive work in this day of material advance.

6. That the Commission, acting in co-operation with Trinity College and under the terms of the gift, shall work out plans and devise methods for the most effective use of the Fund, and at all times keep itself informed concerning the needs and possibilities of the country church and be free to take advantage of situations as they may arise, in every case co-operating with the pastor and Presiding Elder in the work undertaken.

7. That the Commission be composed of six members equally divided between the two Conferences, one member to be nominated by the Cabinet, one to be nominated by the Board of Missions, and one to be nominated by the Board of Church Extension, of each Conference.

8. That the term of office be for three years and that whenever the term of any member expires, or his place becomes vacant for other reason, his successor shall be elected by the Conference to which he belongs, upon nomination of the Cabinet or the Board which he represents.

9. That the present Commission be constituted as follows: Walter Patten and J. H. Barnhardt to serve for term expiring at the Annual Conference in 1921, J. E. Holden and A. W. Plyler for term expiring at the Annual Conference in 1922, and M. T. Plyler and R. M. Courtney for term expiring at the Annual Conference in 1923.

REPORT OF THE BOARD OF MANAGERS OF THE METHODIST SUMMER SCHOOL.

The third session of the Methodist Summer School held at Trinity College, June 9-18, 1920, proved to be the best yet. Approximately 275 were in attendance through the session, not including those who stayed for a brief time, the number of whom was sufficient to fill the college dormitories. Of these, the undergraduates from the Western North Carolina Conference numbered 38, who took 118 courses, and from the North Carolina Conference, 24, who took 116 courses. Total undergraduates, 62; total number of courses taken, 224.

In addition to the courses mentioned was the one in Theology by Dr. Hall, the one on the Country Church by Professor Dawber, and one on the Work of the Rural Sunday School by Mr. M. W. Brabham.

The course dealing with the church of the open country made a start for a still larger effort for aiding the country church. A commission on the Country Church was organized with W. B. Shinn, president, and J. E. Blalock, secretary.

Notable and inspiring speakers were heard in lecture and sermon. Among these were Dr. Charles L. Goodell, Dr. Harris Franklin Rall, Bishop U. V. W. Darlington, Professor M. A. Dawber, Dr. Clovis Chappell, Dr. F. S. Parker and Dr. R. H. Bennett.

Further plans for enlargement are being worked out and stress is to be laid upon the need for more intensive work. The course in New Testament Exegesis will be given by Dr. A. T. Robertson, and notable Sunday school workers and outstanding preachers will be heard.

REPORT OF THE SUNDAY SCHOOL BOARD.

The following report is submitted by your Sunday School Board:

We wish again to emphasize the importance of the work of the Sunday School and to ask your co-operation in carrying it on. It must be very manifest to all who are informed as to church work that upon the work of the Sunday school depends much of the success of the church in promulgating the principles and promoting the program of Jesus Christ. The Sunday school is the only institution that can reach all of the people. It is especially important in that it gets hold of the children in their most impressionable years. Ideas instilled in the days of youth are not easily forgotten. It is peculiarly fitting that we should redouble our efforts now at a time when religious education is receiving so much emphasis. We shall hardly be able to rebuild the shattered ideals of our people except through systematic work such as may be done in the Sunday School.

We offer the following recommendations:

1. That standard training schools be held in as many districts as possible and that such appropriation be made for this as may seem necessary.

2. That other schools be set up in towns and country communities wherever desirable and practicable and that a sum not exceeding $500.00 be appropriated for this purpose.

3. That the Executive Committee shall be empowered to employ workers in every district wherever practicable, such workers to be selected after consultation with the presiding elders and Field Secretary.

4. That an appropriation of $200.00 be made for the Wesley Bible Class Federation.

5. That we co-operate with the Managers of the Trinity College Summer School for Preachers in providing for training courses for Sunday school workers.

6. That we co-operate with the Epworth League Board in providing a credit course for young people at the Epworth League Institute.

7. That the Executive Committee be instructed to continue their efforts to secure an elementary worker provided a suitable person can be found who is available.

8. That we urge our people to attend the Lake Junaluska Training School.

We respectfully urge our pastors and laymen to assist us in putting over the program which we have planned for the year and we pledge our greatest efforts to assist them in promoting the cause of Christ.

Respectfully submitted,

H. E. Spence, *Chairman.*

R. C. Craven, *Secretary.*

(4)

REPORT OF THE BOARD OF TEMPERANCE AND SOCIAL SERVICE.

ABNORMAL TIMES.

Your Board believes that in these abnormal times the influence of the Church ought to be felt along all practical lines and that only as the principles of Christianity shall permeate the actions of men in the changes that are now taking place will our nation be saved from strikes, lock-outs, anarchy, and other forms of lawlessness. The various "isms" and organizations spreading evil abroad in the land give the clarion call to the Church to apply the doctrines of Christ to all the details of human society.

A LEAGUE OF NATIONS.

We believe that all difficulties, differences and misunderstandings arising between nations should be settled by some organization of nations. We deplore the fact that the "League of Nations" has not yet been ratified by this country and we still hope that a way will be found whereby this nation may become a member of the League. We do not believe in the spirit of militarism, nor in the increase of the armies and the navies. Our faith is in the God of nations and our protection is under His wing.

THE NEGRO PROBLEM AND LYNCHING.

When Christians learn to do unto others as they would have others do unto them, the negro problem will be in the process of solution and profiteering and lynching will become a thing of the past.

THE CIGARETTE.

We repeat our statement of one year ago that "the cigarette is an evil and its use is injurious. The law of the State forbids its use or gift to any one under sixteen. Our conviction is that this law is not properly enforced. We give it our endorsement and call on citizens and officers to see to its enforcement."

MOVING PICTURE SHOWS.

In view of the many indecent and immoral pictures that are exhibited in the moving picture theaters all over this country, threatening the morals and Christian ideals of our people and poisoning the minds and hearts of our children, we believe that this Conference should memorialize our State Legislature to provide for a State Board of Censors who shall pass upon all films sent into the State for public exhibition.

SUNDAY BASEBALL, GOLF AND LIKE GAMES.

We deplore the practice of games such as golf, baseball, etc., on the Sabbath, and hereby memorialize our State Legislature to enact a State-wide law prohibiting the same.

STREET CARNIVALS.

We believe that the Street Carnivals exhibited in many of our towns and cities do no good and much harm, and we urge the authorities of the municipalities to use all present law to prohibit them. We name J. J. Boone, Dr. M. Bolton and Luther Hamilton as a committee to cooperate with like committees from other organizations to investigate the matter of legislation concerning the exhibiting of such carnivals and to secure further legislation, if need be. This committee is also authorized to act with other committees to secure any other State legislation asked for in this report.

NATIONAL LAW FOR SABBATH OBSERVANCE.

We urge Congress to enact a law for Sabbath Observance in the District of Columbia and a law for the nation to stop all Sunday mails, postoffices, railroad trains and newspapers. To this end, we endorse the law proposed by the Tennessee Conference as it now appears on page 3377 of the Congressional Record of February 20, 1920 (a copy of which is hereto attached). We name W. W. Peele, W. B. Cooper and R. L. Davis as a committee to co-operate with the committee of three appointed by the Tennessee Conference and other like committees for the purpose of securing such legislation.

WORLD PROHIBITION.

The Board is glad to note the progress that has been made for world prohibition. The International Congress of the World League Against Alcoholism, which met in Washington in September, had representatives from more than twenty-five nations, in which nations there are temperance organizations that are engaged in the work of exterminating the beverage liquor traffic. We endorse the action of the Anti-Saloon League in aiding the world movement.

THE ANTI-SALOON LEAGUE.

Your Board is gratified at the report that comes through the Superintendent of the North Carolina Anti-Saloon League concerning the work of that organization. In the States of Massachusetts, New York, New Jersey, Ohio and Wisconsin, where the wet forces were trying to nullify the Eighteenth Amendment and the law-enforcement code, the drys had signal victories at the polls on election day, and the next Congress will have more friends and supporters of prohibition in it than the

last Congress. New Jersey and New York have elected Legislatures that, in all probability, will pass law-enforcement legislation rather than nullification legislation, as their Legislatures did a year ago.

The Board of Trustees of the North Carolina Anti-Saloon League has memorialized the next General Assembly to pass legislation that will harmonize our State laws with the Volstead prohibition code and has asked the leaders of prohibition everywhere to make 1921 a law-enforcement year. The Board endorses the action of the Anti-Saloon League Trustees and urges our General Assembly to enact such legislation. We endorse the work of the Anti-Saloon League and suggest that our pastors avail themselves of every opportunity to use her speakers for the purpose of building up sentiment against the lawless liquor traffic in every community.

We recommend that the Conference request the Bishop to appoint R. L. Davis, Superintendent of the Anti-Saloon League of North Carolina, for another year, he having been re-elected to that position by the Board of Trustees of the Anti-Saloon League.

J. J. Boone, *Chairman, Pro Tem.*
R. L. Davis, *Secretary.*

REPORT OF ORPHANAGE COMMITTEE.

Your Committee comes to this session of our Conference glad to find that our orphanage is an exceedingly popular institution throughout the Conference. Wherever its needs are proclaimed the people respond cheerfully.

We thank God that though two hundred of our children were stricken with influenza at one time that we lost only two of them. We wish to

express our appreciation to the good people of Raleigh for their tender and loving service to our children during that epidemic.

We rejoice over the success of the plan to support individual orphans by Sunday schools, classes and individuals. The universal testimony is that the school that does this always increases its contributions for all other purposes. In view of this fact of mutual helpfulness, we urge our pastors and superintendents to bring this matter before their schools and classes.

We wish to express our appreciation of the gift last June of one hundred thousand dollars in cash by Mr. S. C. Vaunn, member of the Board of Trustees, not for maintenance nor endowment, but for building and equipment. This gift comes as the result of his confidence and faith in the administration of the affairs of the institution. We would call attention to the fact that this large gift increases our financial responsibilities rather than decrease them.

We note a falling off in specials during the last few months amounting to thousands of dollars and because of the high cost of living we urge our pastors to hold Thanksgiving services in all their churches during the Thanksgiving season and secure as large offerings as possible.

We rejoice to know that the revival in our orphanage this year was the most sweeping so far held. At the close of the revival twenty-eight were received into the church on profession of faith, which left not a lamb outside of the fold. As another result of the meeting a large number offered themselves for definite Christian work in this and foreign lands. Already one of our girls who left us three years ago and has taken college training has offered herself for the foreign field and will enter Scarritt Bible and Training School next fall. With these facts before us we see that the right emphasis is being put on spiritual things in the institution.

Whereas nine thousand, six hundred and seventy-nine dollars and twenty seven cents in cash and in subscriptions has been raised towards the erection of the Baby Cottage recommended by the Board of Trustees, we call on our church membership to give their financial support towards securing this much needed building.

We recommend that the assessment equal to 10 per cent. of the pastor's salary on each charge be continued as heretofore.

We wish to express appreciation of the administration, making special mention of Mrs. Jenkins and our untiring Superintendent, whose reappointment for the ensuing year we request.

J. A. Daily, *Chairman.*
W. H. Brown, *Secretary.*

REPORT OF BOARD OF CHURCH EXTENSION.

This Board wishes to make the following report:

We were unable to make a satisfactory report, as we do not handle our funds now, this being done by the General Board, and the new arrangements for handling the finances at conference make it almost impossible to get a

statement of the amount we have to appropriate. So this report is subject to change of figures.

The Duke Fund is now handled from Trinity College, and the brethren will have no trouble in getting the amounts granted them.

The building of a representative church at Chapel Hill was discussed by our Board, and also jointly with the Board of Missions, each agreeing to join with these Boards of the Western Conference in putting the cause through. The Board of Church Extension assumed $10,000.00 of the amount estimated. E. H. McWhorter and C. T. Rogers were elected to represent the Board at the meeting of Conference Board Representatives at Louisville in the Spring.

The Board voted to turn over the applications to the Duke Fund to J. E. Holden, who is to act as an assistant to Dr. Few in making the appropriations, and the Board wishes again to express its sincere thanks to Mr. Duke for this timely assistance, for without this your Board could grant but a very small per cent. of the needy applications.

The following applications were referred to be granted from this fund, subject to change on final consideration;

REPORT OF EPWORTH LEAGUE BOARD.

The Epworth League Board submits the following report:

We gratefully record that during the past year there has been growth in this department of our Church's work.

This growth is indicated in the organization of Chapters, enrollment of members and Mission Study Classes, offerings for missions and for the specific work of the League and the cordial support being given the work throughout the Church.

In Southern Methodism there are now about four thousand two hundred and fifty Chapters, with one hundred forty-one thousand and five hundred members. A partial survey makes possible the estimate that we have six hundred and ninety-six thousand young people in our sixteen thousand Churches and that four hundred and ninety-six thousand of these could be included in Epworth Leagues if such were organized. Further, that in Churches where there are Epworth Leagues only about one-half of our young people are enrolled as members. Within the bounds of our Conference with two hundred and ten charges representing seven hundred seventy-three congregations, there are one hundred and seventeen Chapters, including both Junior and Senior Leagues, with two thousand six hundred and ninety-nine members. In the presence of these facts we must face again the fact that there is much work to be done.

We hold steadfastly to the conviction that the Epworth League has a distinctive and vital place in the life of our young people and to fail to recognize it would result in a definite loss to them and a great loss to the Church, in as much as we have found that a large percentage of our missionaries and preachers have found themselves and been trained for service in the Epworth Leagues of our Church.

Looking, therefore, to the promotion of this interest of our Church, we very earnestly recommend:

That we use the space given us in our Advocate, that the work be regularly represented at our District Conference, that we encourage the organization and attendance upon District Institutes, that Young People's Day, the second Sunday in May, be regularly observed, and that the use of League Literature be encouraged among the young people.

We desire to direct the attention of our Conference to our Assembly held for the past three years at Louisburg College. The decided increase in attendance this year leads us to believe that it is meeting with the approval of our young people. The work being done here is full in its scope and of a

high order. We heartily commend it and ask your support in helping us to make this phase of our work render a full service. In this connection we desire to acknowledge with appreciation the work of Rev. F. S. Love, President of our Conference Epworth League, as well as that of our other Conference officers and members of our Conference who have contributed to its success.

We record our interest in the Christian Education Movement being launched by our Church and our desire to be used in its promotion. It is our abiding desire that the League be recognized as an organ of service in all the enterprises of our Church.

We wish to renew again our pledge for the regular and faithful co-operation of the Epworth League Board with our Conference Epworth League and our General Secretary.

Respectfully submitted.

W. H. Cade, *President.*
H. I. Glass, *Secretary.*

REPORT ON DISTRICT CONFERENCE RECORDS.

We, the Committee, beg leave to submit the following report on District Conference Records.

We found, upon examination of all the records, that they have been faithfully, neatly, and correctly kept. We wish to commend the various secretaries for their carefulness with these valuable records of our church.

BOARD OF CHRISTIAN LITERATURE.

Though our current literature is, both in character and virtue, as good as or better than it has ever been, and is worthily representative of the various and vital interests of our great Church; though its circulation, while far short of what it ought to be and what we hope soon to see it become, has grown into encouraging proportions; and, though we are friendly to every reasonable measure designed to relieve its preparation of embarrassment and to assure its increasing efficiency, still we are painfully impressed that our people are not reading these profitable products of our press. To overcome this regretful and hindering status of things, we would persuade our pastors to prayerful perserverance.

NORTH CAROLINA CHRISTIAN ADVOCATE.

Despite unfavorable conditions during the eighteen months following consolidation, this excellent paper has maintained itself; and, though

it is now changing management, yet we are confident that its policy will ever be one of progress and helpfulness. Our Conference and Church gratefully acknowledge the sacrificing service rendered by the retiring editors, Revs. L. S. Massey and H. M. Blair, for to their consecration, courage and care we are largely indebted for the splendid paper we now enjoy and commend. To their successors, Dr. G. T. Rowe and Rev. T. A. Sikes, we extend our warmest greetings, assuring them of our prayers, moral support, and practical assistance.

Col. Jno. F. Bruton, our Commissioner of the Methodist Board of Publication, Inc., brings back a very satisfactory report as to change of charter, and we heartily accept it, felicitating our Conference on having become half owner of the Methodist Board of Publication, Inc., and an equal sharer in all earnings.

We quote from the Treasurer's report:

RESOURCES.

Office Building	$20,000.00
Machinery and Fixtures	25,095.00
Paper Stock on Hand	5,948.01
Accounts Receivable	2,229.16
Cash Items	13,914.36
Mailing List, Estimated	6,000.00
	$73,186.53

LIABILITIES.

Investment	$36,899.92
Accounts Payable	1,903.41
Surplus, 1919	32,941.42
Net Earnings	1,441.78
	$73,186.53

RECOMMENDATIONS.

1. We recommend an early Advocate campaign to increase its circulation by not fewer than twenty-five hundred new subscriptions, and that an earnest endeavor be made to hold intact the present mailing list, the apportionment to Districts being as follows:

Durham	290
Elizabeth City	270
Fayetteville	320
New Bern	320
Raleigh	270
Rockingham	270
Warrenton	270
Washington	220
Wilmington	270

2. We recommend that the raising of an adequate endowment be encouraged and are pleased to know that some generous-hearted brethren in the Western North Carolina Conference have provided a nucleus.

3. We recommend that our Conference ratify and approve the changes to the Charter agreed upon, authorizing the use of the name of the North Carolina Conference, a one-half owner of the Methodist Board of Publication, Inc., in effecting the necessary Charter amendments.

4. We recommend the more liberal support of the Methodist Review, Christian Advocate, and Epworth Era, all of which superior periodicals are being published at considerable loss.

5. We recommend a more general patronage of our Publishing House, which continues to declare clever dividends in the face of adverse circumstances.

6. We recommend that, as Rev. T. A. Sikes, a member of this Conference, has been elected Assistant Editor and Business Manager, the Bishop appoint him to this work.

7. We recommend that Rev. M. T. Plyler be elected to succeed himself as a member of the Board of Publication, Inc.

8. We recommend that, whereas the Discipline makes mandatory the holding of an Anniversary of the Board of Christian Literature at some time during the session of the Annual Conference, provision be made for an Anniversary at the next Annual Session of the North Carolina Conference, the Board itself preparing the program.

S. E. Mercer, *Chairman*,
R. H. Broom, *Secretary*.

Bible Society Board.

The American Bible Society has been a mighty agency for the supply of God's Word to the world. It has furnished the truth to every nation and people and tongue. The Society has made it possible for these nations of the earth to read in their own language where they were born the wonderful works of God, until this knowledge shall cover the earth as the waters cover the sea. We urge that the pastors carry out the disciplinary requirements with regard to the American Bible Society, informing our people of its splendid work and taking special collections wherever prac-

tical. We pray God to bless the efforts of the Society and make it possible that it may achieve even greater things, and that the Bible may reach every nook and corner of the whole world; for as the world is saved it is through Jesus Christ made known by God's Word and His disciples.

We respectfully call attention to the pastors and urge that they investigate in their pastoral visiting that a copy of the Bible is in every home and made available for the use of the members of their homes.

REPORT NO. 2 OF THE BOARD OF EDUCATION.

The prosperity of all our educational institutions is a cause for great thanksgiving—their prosperity in the matter of the number of students, even though their financial resources are severely limited. And we believe that as much value and service can be got out of a dollar by the Church College as by any other institution in the world. We pray God to lay upon the hearts of His people the great need of these crowded schools and colleges, as nothing has ever been upon their hearts before.

Emory University.

Our great connectional university at Atlanta reports nine hundred and fifty-eight students enrolled in the year ending June 9, 1920. There are now in operation the following departments: The School of Liberal Arts, the Graduate School, the Candler School of Theology, the School of Law, and the School of Medicine.

Trinity College.

Our great College at Durham, owned jointly by this Conference and the Western North Carolina Conference is crowded as never before, fifty more students being enrolled than at the opening one year ago. Her Administration and Faculty continue their labors in the spirit of sacrifice, and look

towards the future with faith and with the hope and will to serve. Her student body, a group of young people of incomparable promise, inspires us to prayer that God may take of the choicest of them for His field of service at home and abroad, and that He may use them all in His own way for the blessing of this world. Especially do we pledge to pray for the special revival meetings to be held at the College beginning January 31st.

GREENSBORO COLLEGE.

From this historic college for women comes the same story of distress for lack of room. Progress is being made on every line, and it would seem that her usefulness is limited only by the facilities we shall be able to provide.

We recommend confirmation of the following trustees, who have been elected: Rev. G. T. Adams, Goldsboro, N. C., representing the North Carolina Conference, whose term expires December 31, 1920; and Rev. E. L. Bain, Greensboro, N. C., representing the Alumnae Association, whose term expires December 31st, 1920.

LOUISBURG COLLEGE.

This Junior College reports that it is in the midst of the best year of its history. Its greatest limitation is lack of equipment and room.

We record our high appreciation of the fine work and constructive leadership of Rev. F. S. Love, who since June, 1917, has been president of this institution, and who now retires from college work and returns to the pastorate. We also heartily commend the action of the Trustees in the election of Rev. L. S. Massey to be head of the college, assuming his duties immediately.

We recommend the election of Rev. J. H. Shore, B. B. Adams and H. A. Page as members of the Board of Trustees, and of Rev. N. H. D. Wilson to fill the unexpired term of Rev. L. S. Massey.

CAROLINA COLLEGE.

This institution has been classified as a junior college, having ceased to give the A. B. degree, and offering only two years of standard college work. While this change caused the loss of some students already entered, the loss has been more than made up by the entrance of other young women, and the college is having its best year.

TRINITY PARK SCHOOL.

We are thankful for the progress and growth of our only preparatory school. Its service especially to young men, who have been denied high school advantages in their home communities, can never be estimated. We recommend that the appropriation be applied as last year.

CHRISTIAN EDUCATION MOVEMENT.

We recommend that in stations our preachers preach to their congregations on the subject of Christian Education in the home, the school and the church on the second Sunday in December, and that in circuits they begin upon this Sunday to present this cause to their people.

We recommend that the following be constituted the Educational Commission of this Conference, to co-operate with the General Commission in the Christian Education Movement: Rev. H. M. North, Col. Jno. F. Burton, Prof. R. L. Flowers, Rev. M. Bradsahw, Rev. W. W. Peele, Rev. W. A. Stanbury.

REPORT OF THE BOARD ON LAY ACTIVITIES.

To the Bishop and Members of the 84th Session of the North Carolina Annual Conference—

We, the Board on Lay Activities, beg leave to submit the following report:

We rejoice that, on account of the enlarged contributions to missions and the quickening of the missionary spirit through the Centenary, the Church has been able to so greatly enlarge its evangelical operations and to enter new fields of service, and to cultivate more intensively many of the older fields, both at home and abroad.

But we realize that this enlargement of our missionary activities has brought to us enlarged responsibilities. We cannot go backward, nor can we stand still, but must go forward in the tasks set for us. But we must remember that our financial resources are largely pledges and must be converted into cash. To the accomplishment of this we would urge our laymen, in co-operation with our pastors, to lend their most earnest

efforts. We have already been too lax in the collection of these pledges and are greatly behind in our quota for this year. We cannot afford to pay less than one hundred cents in the dollar on these pledges, because, 1st, They are made to God and not to man, and surely He will require of us according as we have pledged. We cannot treat our obligations to God lightly. 2nd, The Church needs the money with which to meet its obligations and to maintain the work begun.

We should pay in to our Conference Treasurer not less than 40 per cent. of our quota by the first of January, 1921. And to the accomplishment of this result may we lend our every energy.

Christian Education is the "Hand Maid" of Evangelization, and to her Christian Institutions of Learning the Church must look, largely, for men and women who are to lead in the great evangelical movements of the Church. Therefore these institutions should be fostered, maintained and strengthened that there may flow from them a never failing stream of influence that will promote and deepen the devotional, evangelistic and missionary spirit in all her Christian enterprises.

We, therefore, commend to our people an earnest co-operation in the movement of the Church to strengthen the financial status of these institutions and to better equip them for enlarged service. But we believe that the Church must see that these institutions are distinctively Christian, and that only such men and women be admitted to their faculties as will uphold Christian fundamentals, and "contend earnestly for the faith which was once for all delivered unto the saints."

We deeply deplore the fact that there has not been the spiritual awakening in the Church, and that the revival fires have not burned so brightly, as we hoped would follow our Centenary activities. We trust the Church has not become more concerned as to her financial than to her spiritual growth and development. "But this cometh only by fasting and prayer," and may we, both laymen and preachers, be so earnestly and constantly engaged in prayer during the coming year that the Holy Spirit will come upon us in great power and that revival fires will sweep over the whole Church. Again, we would appeal to our laymen for greater zeal in the local activities of the Church.

We view with much pleasure that there has been a general increase in pastors' salaries throughout the Conference, and we trust that laymen will see to it that these salaries are maintained, at least, to the present standard and increased where it is necessary to provide our preachers with a liberal support. This is distinctively a work for our laymen and we cannot afford to see our preachers hampered in their work and embarrassed because of too meag salaries. We appeal to the Official Boards, at their first meeting in the early part of the year, to see that liberal provisions are made for the support of their pastors.

Y. T. Ormond, *Conference Lay Leader.*

C. G. Morriss, *Secretary.*

REPORT OF BOARD OF MISSIONS.

There is evidence upon every hand that the great need of the world today is the Gospel of Jesus Christ in the life of the people. The marked missionary awakening in our Church has made it possible to more fully carry out the commission of our Lord, and the times demand that there be no retrenchment but an everlasting forward movement of the Christian evangel to enable humanity to find its true life.

We rejoice in the immediate results that have come to us out of the centuries. The existing mission fields have been enlarged, new missions in three countries in Europe have been established and our Home Mission work has taken on new life, and barren and waste places have been made to rejoice because of the coming of the Man of God.

The reports of the pastors on charges that have received aid from the Board this year show that there have been received into the Church eight hundred and eighty-nine on profession of faith and four hundred and eighty-five by certificate with a total net gain of nine hundred and six. The new work that this fund makes possible in our Conference is full of promise. Your Presiding Elders are coming forth with enlarged programmes to send men into every remote section of our Conference.

All this means that a full collection of the Centenary Pledges must be our aim. There must be no shrinkage. One of the best agencies to aid in these collections is the Mission Special. It is desired that the full amount of the pledges of each congregation be assigned as Specials.

Inasmuch as several thousands of dollars of the second payment have not been made, it is the suggestion of your Board of Missions to set apart the week of January 9th to 16th, 1921, as the time to make in full the payments of the second year and to collect as much as possible of the third year payments.

Your Board respectfully requests the Bishop to re-appoint Rev. A. D. Wilcox Conference Missionary Secretary for the ensuing year.

CHURCH WORK AT STATE INSTITUTIONS.

Your Board herewith submits the report of the Joint Commission on Church Work at State Institutions:

Your Committee on the Church Work at North Carolina College for Women and the State University at Chapel Hill submits the following report:

Spring Garden Church, which stands very near the North Carolina College for Women, has been so enlarged and improved that it is possible for us to take care of the situation there. We urge that one of the most competent men in the Western North Carolina Conference be kept at this point.

At Chapel Hill there were last year four hundred and forty-two Methodist boys and about an equal number of Methodist teachers in the

Summer School. For these students and for the other Methodists in the community we have a church that will seat about two hundred and fifty, and having no facilities for doing the work that needs to be done in a community of this kind, we unanimously recommend the building of an adequate church at Chapel Hill.

Your Board recommends the continuance of this Joint Commission with the addition of another representative from the Board of Missions and from the Board of Church Extension. As the additional representative of this Board we appoint Walter Patten.

That this important and crying need may be speedily met we recommend the adoption of the following resolution:

Resolved, That it is the sense of this Board that the time has come when we must face the problem of retaining our hold upon the life of our young people in our State educational institutions, and in order not to interfere with the previously planned program of our leaders in the Church we recommend that the Boards of Missions in the two Conferences of North Carolina contribute $20,000.00 each; the Church Extension Boards $10,000.00 each; the General Church Extension Board $20,000.00; the local community $20,000.00, and that the alumni of the University be canvassed to contribute $50,000.00 for the building of a Methodist Church at Chapel Hill. Whenever the above mentioned parties shall have complied by cash, or subscription, with the proposed plan, then this Board pledges itself to provide for its part of the above amount. In furtherance of this plan we recommend the continuance of this Commission on this work.

TEXTILE INDUSTRIAL INSTITUTE.

Your Board realizes that a time has come in the Home Mission Field that demands an advance step in the solution of social, religious and educational conditions in our cotton mill villages. We believe that the work and program of the Textile Industrial Institute at Spartanburg, S. C., points a way to enable us to meet our problem of trained leadership for mill villages.

We, therefore, recommend that the North Carolina Conference ratify the following plan of co-operation between certain Annual Conferences and the Textile Industrial Institute, and that Walter Patten be elected Associate Trustee as herein provided:

1. For the present, no change shall be made in the title and ownership. If the co-operating Conferences should desire part proprietorship this may be determined later.

2. The Institute is preferred for the joint use of said Conferences in training young men and women for social, educational and religious work specifically in mill communities.

3. The co-operating Conferences shall select, through respective Boards of Missions, one Associate Trustee of the Textile Industrial Institute Board for the direction of the Institute.

4. It is understood that each co-operating Conference will contribute financial support to the Institute in such manner and amount as each Conference may determine.

CHURCH PROPERTY.

Your Committee on Church Property submits the following report:

We are glad to note the fact that several new church and parsonage buildings have been enterprised during the present year.

We call your attention to the fact that while our property value is over five million dollars, we have less than two million dollars of insurance; therefore we earnestly urge adequate insurance protection for all our property.

We heartily endorse and rcommend for your consideration the Methodist Mutual Fire Insurance Company, of Statesville, N. C., which is controlled by our Church.

We also recommend the re-election of W. B. Cooper as Director in this Company, his term to expire in 1925.

J. A. Russell, *Chairman.*
